**Top designs will be used in NWAAE and SOS promotional materials and posters** (similar to our Alyssa Eckert poster seen here). NWAAE and SOS may incorporate poster language that calls for support to **restore a healthy and abundant salmon, steelhead, and Southern Resident orca populations**, including phrases similar, but not limited to: **Stop Salmon Extinction, Save the Orca, Protect the Sacred, Honor Treaties, Honor People and Salmon**. Posters may be used to call for action to **Free the Snake River** (removal of the four lower Snake River dams). NWAAE and SOS plan to print a collection of posters to encourage people to **VOTE in 2024** with consideration for the health of the planet and all the species that depend on sustainable ecosystems.
